

# AVIVA 40

SINGLE FILTER HALF MASK

The new AVIVA 40 single filter half mask is the next step forward in half mask technology from Scott Safety. Innovative design elements such as a hybrid reflex face seal, an easy-to-use leak check mechanism and goggle 'pinch' have been integrated into the AVIVA 40 half mask, with user comfort and protection in mind. AVIVA 40 is suitable for a variety of applications including paint spraying, chemicals and manufacturing, utilising the Pro2000 range of filters. Please see technical data for precise filter approvals.

## PRODUCT HIGHLIGHTS

- Single filter half mask utilising the Pro2000 range of filters
- Reflex seal absorbs facial movements, maintaining protection
- Easy to use leak check mechanism
- Goggle pinch - designed for improved eye PPE integration
- Enhanced voice intelligibility
- Comfortable, durable head cradle suitable for use underneath headwear
- READY-PAK option for clean storage and easy transportation
